De Moravia™ and Zambezi™ Wine from South Africa

Zambezi™ South African Dry Red Wine
12% ALC/VOL
Packed 6 per Carton

De Moravia™ South African Dry White Wine
12% ALC/VOL
Packed 6 per Carton

Zambezi™ South African Dry Red Wine is an elegant and sophisticated blend from the Stellenbosch region of South Africa. It has an aromatic bouquet of fruit and dark chocolate flavors, as well as an emphasis on dry tannins, these signature traits give this wine its unmistakable taste. Its generous, full bodied texture will please the most discerning palate. After pouring, allow time to breathe and then enjoy.

De Moravia™ South African Dry White Wine is an elegant and zesty Chenin Blanc. This sweetly balanced acidic wine shows a versatile structure that is refreshingly different and uniquely identified by its signature flavor of floral, citrus and hint of honey. This wine is best served cool in a glass, so as to savor the rich and thick, yet improbably light taste that will tantalize your palate.
